

## Webinar | Forest and Health

# What Can Mangroves Do For You?

THURSDAY | MARCH 23

9:30-11:30EST | ZOOM with Spanish interpretation | [REGISTER](#)

### #IntlForestDay + 3<sup>rd</sup> anniversary of the Forest Landscape Restoration Network

Please join us to celebrate International Day of Forests, our network anniversary, and the incredible mangrove ecosystem. Forest Landscape Restoration Network partners from Ghana, Mozambique, and Ecuador will share their experiences in mangrove restoration and community engagement for coastal conservation and improved livelihoods.
